August 26, 2009 City of The Dalles Brewery Grade Street Closure

The East Gateway/Brewery Grade Roundabout construction project is scheduled to begin August 26th, 2009. East/West traffic will remain open and will be subject to normal construction delays. Brewery Grade will be closed as a result of this project. This closure will begin on September 8th.

Detours will be posted at various locations in the City and are detailed below:

- ❖ For downtown traffic headed eastbound, which normally would go up Brewery Grade, traffic will be detoured up Washington Street to Kelly Avenue to E. 12th.
- ❖ Eastside traffic that would normally go down Brewery Grade to the City Center will be detoured from Dry Hollow Road by using E. 12th.
- ❖ Eastside traffic that would normally go down Brewery Grade to head eastbound will be detoured to Highway 197 using E. 10th St to Old Dufur Road.

In mid-November the construction activities will be suspended and Brewery Grade will re-open until March 01, 2010. At that time, the project construction activities will resume and Brewery Grade will again be shut down until the project is completed.

Weekly updated information regarding the project will be posted on the City's website at www.ci.the-dalles.or.us or can be obtained by contacting Jim Schwinof, City Development Inspector, at 541-288-6386 during normal business hours.

More information, when available, will be posted regarding the temporary opening of Brewery Grade during the holidays as well as the brief closure in the spring. We appreciate your understanding and cooperation during this project.
